

FIATA DIPLOMA IN FREIGHT FORWARDING

“Since 1996, the FIATA Diploma has become an internationally recognized qualification in the freight logistics industry.”

BACKGROUND TO THE FIATA DIPLOMA

International Federation of Freight Forwarders Associations (FIATA), is the world umbrella body of the freight logistics industry. Within FIATA, a specialized body known as the Advisory Body Vocational Training (ABVT), has consistently worked to build up a solid reputation as a major contributor to the development of vocational training in the industry.

In carrying out this objective, the ABVT has developed a set of minimum criteria for the award of a qualification known as the **FIATA Diploma in Freight Forwarding**; by Vocational Training and Examination.

The diploma is administered by accredited FIATA Association Members worldwide of which UFFA is one of them.

WHY JOIN THE FIATA DIPLOMA

- Acquire technical and practical knowledge on how to competently operate in a dynamic freight logistics industry.
- This diploma is recognized as a professional standard in freight logistics industry. It will equip you with a marketable skill set and make you more competitive.
- Places you in a good position for rapid promotion and progression provided that you have shown the right leadership qualities and fit in to the culture of your organization.
- You can combine these practical skills with your academic knowledge to add value to strategic decision making processes aimed at providing integrated logistics and supply chain management solutions to customers.
- Course material is timely and highly relevant - The course content and delivery will be regularly updated by UFFA and validated by FIATA.
- It can supplement the already existing National Training courses.

ELIGIBILITY

- EACFFPC or its equivalent as approved by UFFA
- At least 3 years of active and professional practice in the freight logistics industry
