### INTERNAL MEMO

To: All UFFFA Members

Through: UFFFA General Secretary

Date: 14th April 2025

**Subject: Revision of Annual Membership Subscription Fee – Effective 2025**

Dear Members,

Following the resolution passed during the 23<sup>rd</sup> Annual General Meeting (AGM) held on 28th March 2025 at the Sheraton Kampala Hotel, we write to formally communicate the implementation of the top-up subscription fee across all membership categories.

To strengthen the financial sustainability of the Association and support the delivery of improved member services and strategic initiatives, the AGM resolved that an additional top-up fee of UGX 350,000 be applied to all existing annual membership subscription packages, effective from 2025.

#### Key Clarification:

- The UGX 350,000 is not a flat annual subscription rate, but rather a top-up amount to be added to the existing membership package fees.
- This top-up applies uniformly across all categories, regardless of the original membership tier.
- Members who have already paid their 2025 subscription fees are required to pay a top-up of UGX 350,000 in line with the new resolution.

The new structure for subscription is as follows:

Membership Category	Old structure	New structure
Ordinary	UGX 500,000	UGX 850,000
Ordinary Corporate	UGX 1,000,000	UGX 1,350,000
Corporate	UGX 3,000,000	UGX 3,350,000

This measure is part of the Association's broader strategy to enhance sustainability, support key advocacy activities, and invest in member-centered programs such as professional development, policy engagement, and institutional strengthening.

Should you have any questions regarding your membership category or payment status, please reach out to the Secretariat for assistance.
